Date and Remarks	Orders of the Tribunal
Item No. 6 May 7, 2014	<p>In furtherance to the order of the Tribunal the Deputy Commissioner South Revenue (District Magistrate) is present today before the Tribunal and she informs us that though the Revenue Department of the State had marked three reference points for the purposes of preparation of the Maps by the Forest Department the Maps prepared by the Forest Department thereupon have not been duly verified by the Revenue Department.</p> <p>We find this to be very serious lack of coordination in the State working inasmuch as one Department does not know or does not conform to the functioning of the other Department while working in collaboration.</p> <p>Be that as it may, we find it unnecessary to go into this controversy at this stage. Suffice it to say that the Applicants before the Tribunal claim that their properties do not form part of the Khasra No. 1677 and 1763 Village Asola, Delhi and pray for demarcation of their properties vis-à-vis the said Khasra from the Revenue Department.</p>

Let Demarcation of these properties be completed positively before the next date of hearing. During the demarcation the representative of the Forest Department, the Chief Wild Life Officer and the Applicant may also be present.

We make it clear to the Deputy Commissioner (District Magistrate) that the Report of demarcation clearly commenting upon the facts aforementioned should be submitted directly to the Tribunal on or before the next date. We shall not grant any further adjournment. The Report should be absolutely clear, unambiguous and *de-horse* of any controversy. The method adopted for demarcation shall be duly described in the Report and shall be in accordance with law.

List this matter for further directions on 27th May, 2014.
