Orders of the Tribunal

Item No. 2 & 3 May 8, 2014

Date and

Remarks

By order dated 20.02.2014, we directed the Project study about the Rehabilitation including Proponent to identification of the targeted group. Though, the case was posted to 02.04.2014, the Project Proponent sought more time and it was granted and posted 23.04.2014. The project proponent again repeated the submission and sought further time and hence the matter was adjourned to this day. We had also made it clear that the project proponent shall submit the scheme in respect of Rehabilitation and Resettlement (R&R) process by this day. No such scheme was made available. Learned Counsel appearing for the project proponent sought further time. We are not at all happy with the attitude of the project proponent. In spite of the order dated 20.02.2014 to identify the targeted group, no progress has been made.

In such circumstances, we issue the following directions:

 The Project Proponent shall furnish the total cost of the project including the cost of R&R and its breakup.

2. The Project Proponent shall also furnish the details of the
targeted group before the next posting date. All efforts shall
be made to complete the study and submit the scheme by
29.05.2014.
Stand over to 29 th May, 2014.
Stand Over to 25° May, 2011.
