Certain Photographs have been shown to us of the place where underground water is being taken out indiscriminately and several pumps / motors have been fixed just on one side of the building where massive construction is going on. The Pumps are apparently being run by the Builder – Earth Infrastructure at his project – ‘Earth Tech One’, located at Earth Tech One, Tech Zone, near AMR Mall, Greater NOIDA, within the limits of the concerned Authorities - Yamuna Expressway Authority and Greater NOIDA. Both these concerned Authorities may take immediate action and report about it to the tribunal on the next date of hearing.
