Date and	Orders of the Tribunal
Remarks Item No.	
19 to 27	We have heard the Learned Counsel appearing for
November, 28, 2016	the Ministries, NCT, Delhi, State of Haryana, State of
ss	Pubjab, State of Rajasthan, State of Uttar Pradesh, DDA
	and Delhi Police and all other learned counsel. Vide order
	dated 07th April, 2015 and other orders where various
	directions have been passed with regards to prohibition for
	plying of vehicles diesel older than 10 years and petrol
	older than 15 years, Delhi Police had made some attempt
	to comply with the orders. However, due to non-
	availability of space and other difficulties faced, they were
1	not able to keep the vehicles seized. Various other
	directions were passed by the Tribunal to ensure
	reduction of pollution of ambient air in Delhi resulting
3	from vehicular pollution. At the cost of repetition and to
E I	put the matters beyond controversy we further issue the following directions:-
13	1. The Ministry of Heavy Industries has assured the
N N	Tribunal that it was in the process of framing policy
	for scrapping of old vehicles in consonance with the
	directions of the Tribunal. This policy was to
	provide not only methodology for scrapping of
	vehicles but even incentives for that purpose to car
	owners. Unfortunately, nearly a year has gone now
	but the Ministry has not produced any policy to that
	effect before the Tribunal. According to the Learned
	Counsel, matter has been taken up with the Finance
	Ministry. We direct that the Learned Counsel
	appearing for the Ministry of Heavy Industry would

take clear instructions in regard to the entire policy

as well as implementation thereof before the next Item No. date of hearing. 19 to 27 2. All the State Government i.e. State of Punjab, State November, 28, 2016 of Haryana, State of Uttar Pradesh, State of SS Rajasthan and the concerned State Secretaries would discuss with the Chief Secretary of Delhi to identify the land for parking the seized vehicles older than prescribed age immediately on the border of NCR and NCT, Delhi. 3. This meeting should take place immediately and the Learned Counsel appearing for the respective States and NCT, Delhi would place the result/minutes of the meeting before the Tribunal by the next date of hearing. The Learned Counsel appearing for the DDA has submitted that as of now and after deliberation with all concerned stakeholders, two sites have been identified at Narela and Rohini which can be temporarily provided to Delhi Police for parking of such vehicles that are seized or are otherwise required to be parked for offending the laws and particularly upon the orders of the Tribunal. We, however make it clear that giving of such site of Delhi Police would be purely on temporary basis. Delhi Police would not raise any permanent structure on the land in question and they would pay amount to DDA as per the policy of the DDA. As far as the first two conditions are concerned, these are ex-facie reasonable and even necessary. However, since no title in the property is being transferred to the Delhi Police, there is no

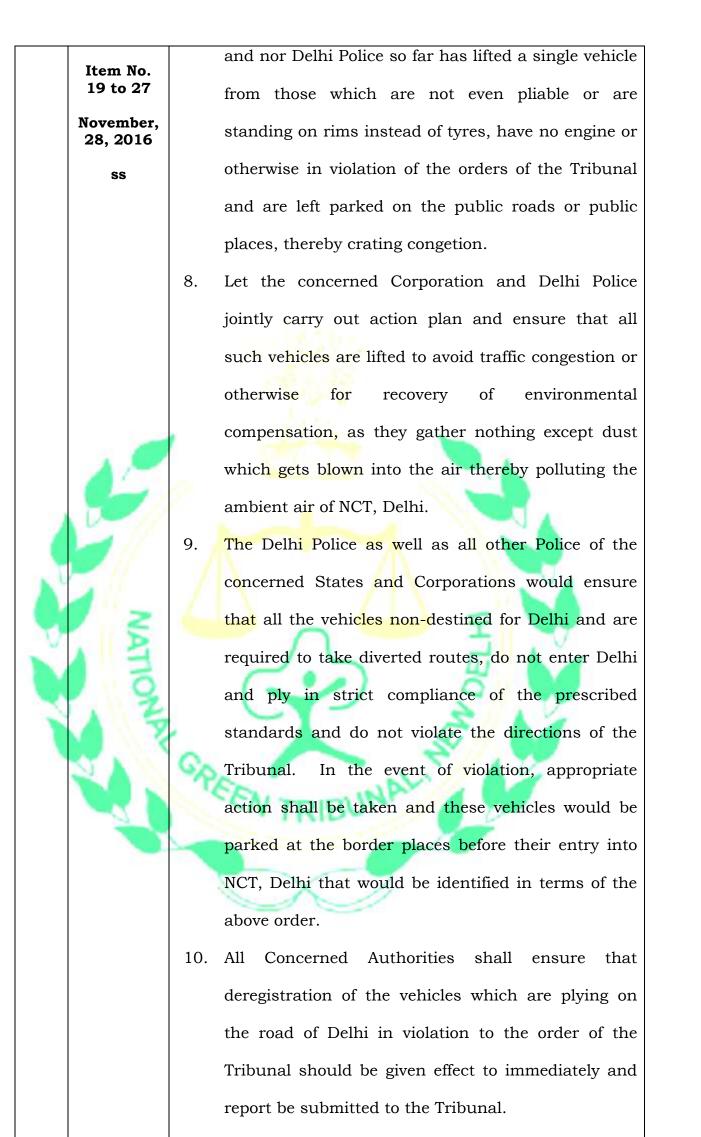

question of paying any charges to DDA for transfer
 5

of such land whether under the Land Revenue Act Item No. or otherwise. However, it would be appropriate that 19 to 27 Delhi Police Pay charges to DDA for parking on per November, 28, 2016 car basis. SS We clarify that vehicles plying on the roads or 4. otherwise found to be polluting are not challaned merely under the Motor Vehicles Act but also under the provisions of the Environment (Protection) Act, 1986 and upon orders of National Green Tribunal Act, 2010. The vehicles seized by the Police for violation of the directions of the Tribunal are those not seized in terms of the Motor Vehicle Act but specific orders of the Tribunal. They cannot be released and ought not to be released unless they pay environmental compensation as well as carriage and parking charges demanded by Delhi Police. The Environmental Compensation has already been 5. identified as Rs. 5,000/- for each violation. Besides this, the crane charges would be declared by the Delhi Police within a week from today and put up on Notice Board including the parking charges of the land in question. DDA would be entitled 50% of the parking share from Delhi Police. We reiterate that these are not only the offences 6. under the Motor Vehicles Act and we do hope that all concerned would take note thereof that vehicles are being seized under the provisions of the above two said Acts and under the orders of the National Green Tribunal in relation to environmental
