We have heard the counsel appearing for the applicant as well as the respondents. In our final order dated 1.3.2016 passed in Application No.31 of 2016, we have directed the Tamil Nadu State Pollution Control Board (Board) to consider the representation of the applicant and pass appropriate order within a period two weeks after making inspection subject to the conditions that the applicant shall carry on the activities only with 96 KLD.

The present Miscellaneous Application is filed seeking for a direction to the 1st respondent Board to comply with the said final order as stated above. The counsel appearing for the applicant would submit that the applicant has received the proceedings of the Board dated 29.4.2016 wherein the Board has directed restoration of the electric power supply for a period of one year. Therefore, the counsel states that nothing survives in the Miscellaneous Application.+ In view of the same, there is no necessity to pass any order in the M.A.No.56 of 2016. Accordingly, the Miscellaneous Application is disposed of. No cost.
