<b>Date and Remarks</b>	<b>Orders of the Tribunal</b>
<b>Item No. 5 March 5, 2014</b>	<p>Heard. Learned counsel appearing for the Applicant makes a statement that the pleading are complete. However, he submits that he has to elaborate on the point of description of the land in question in order to precisely say that the offending activity is going on in the forest area.</p> <p>According to the Learned counsel appearing for the Applicant the land in question is described in its pleadings both Application and the Rejoinder as the land adjacent to the Bagai Estate which is part of Kapurthala Estate. The Application reveals that the grievance is about non-forest activity in forest area. Controversy would, therefore, come to an end if the precise description of the offending land is available before us. The Applicant is directed to file an Affidavit giving precise description of the land in question i.e. boundaries of the land and the Khasra/Survey number as given in the revenue records.</p> <p>List this matter on 03<sup>rd</sup> April, 2014.</p> <p style="text-align: right;">.....,JM (U.D.
