The above Applicant industries are Tannery industries.

The Learned Counsel appearing for the Applicant submits that all these industries are operational and were working under the consent of the Board.

The Learned Counsel appearing for the Board submit that joint inspection of all these industries is still

to be conducted and their applications for obtaining consent of the board are pending.

Let the joint inspection team conduct inspection of all these industries.

Besides conducting normal inspection, the inspection team shall collect effluent samples and analyse the same and state the point of discharge whether on land, river, etc. and quantum of discharge, details of water source and water consumption, description of ETP and its performance at optimal capacity, manner of disposal of Domestic discharge, by-pass arrangement and whether they have obtained permission from the Central Ground Water Authority if consuming and extracting groundwater.

Inspection should positively be conducted and report be submitted before the Tribunal.

The U.P. Pollution Control Board shall expeditiously consider the Applications moved for consent by individual industries, and on the basis of joint inspection report, pass appropriate order and submit the report to the Tribunal.

List these matters on 16th March, 2015.
