	Date and Remarks	Orders of the Tribunal
	<p>Item No. 03 August 30, 2016</p> <p style="text-align: center;">jg</p>	<p style="text-align: center;">Heard. Perused.</p> <p>Affidavit of service dated 29-08-2016 reveals that the service of notice on all the respondents by dasti has been effected. Service is thus complete.</p> <p>This is a case of industry discharging effluents which are within the prescribed limits but the water consumption for manufacturing paper has not attained the desired level. This fact is confirmed by the Learned Counsel appearing on behalf of the UPPCB and CPCB.</p> <p>Joint Inspection Report dated 20-07-2016 at annexure A-6 to the application reveals that the unit has installed the BMT as well as ETP and conformed the discharge standards.</p> <p>Learned Counsel appearing on behalf of the applicant submits that water is being drawn from one borewell having flow meter and the water cess is being paid. He further submits that the application for grant of permission to draw underground water has been duly</p>

moved before CGWA and the permission is awaited.

In such circumstance, we allow the industry to carry out its operations at optimum level for a period of two months in order to facilitate the settling of the process enabling correct assessment of the water consumption of the industrial unit by the authorities. The Joint Inspection shall be carried out at the expenses of the applicant industry after four weeks and the report placed before us.

List the matter on 4th October, 2016.
