Original Application No. 180 of 2017

April 17, We are not satisfied with the report of joint inspection team. One of the main aspects which the inspection team was required to verify was with regard to the source of raw material. In the report, for the reasons best known to the committee, appropriate findings have not been recorded. The joint inspection team had visited the site in December, 2016 but strangely, the report was given in March, 2017. Therefore, we reject this report and direct the joint inspection team to conduct another inspection and submit complete and comprehensive report with regard to the source of raw material as well as

storage. The Learned counsel appearing for the ProjectProponent submits that they have already applied forstorage which is placed on record.

In the meanwhile, he will not carry on any business. With the above directions the Original Application No. 180 of 2017 stands disposed of.

Original Application No. 181 of 2017

For the similar reasons as recorded above and in addition thereto, the recommendations for compliance that have been made by the joint inspection team, we direct the Project Proponent to carry out the recommendations as well as to disclose the source of raw material which will be verified by the Committee, in accordance with the directions issued by the Tribunal. Further, report be filed before the Tribunal which shall be registered separately by the Registry and placed before the Tribunal.

With the above directions Original Application No. 181 of 2017 stands disposed of.
