	Item No. 4 September 23, 2014	<p>Heard. Perused.</p> <p>At this stage, learned Counsel appearing for the Respondent No.2 (State of Haryana) as well as Respondent No. 5 submits that there has been re-thinking on the issue of saving the pond and now the Chief Administrator HUDA has written communication dated 17.09.2014 to the Director General, Estate Department, Haryana making a request to release the land bearing Khasra No. 65(7-11) and 12/1/1/2(0-30) and 12/20/1/1(1-6) of Village Sarai Aurangabad, District Jhajjar occupied by pond (Johad) in question and consider the approval to the new re-alignment of development road between Sector 3/3-A and 3-A/4 of Bahadurgarh so as to avoid existing village pond.</p> <p>A proposal has also been suggested to the Urban State Department to keep the curve of the road tangential to the main road for driving safety and ease.</p> <p>In light of this communication, learned Counsel appearing for the Respondent Nos. 2 and 5 submits that there is every likelihood of getting favourable results in planning of the road so as to save the pond. She submits</p>

that this would bring to an end the controversy in question, and therefore, on the last occasion, the reply was not tendered. She submits that results are expected within one and half month.

However, we are not inclined to accept that such a long time is needed for a study of an issue which has now become so vivid. We would like to have report on the developments in the matter.

List the matter after two week i.e. 27th October, 2014.
